The question paper has ONE (1) question. Answer ALL questions in the answer booklet provided. (100 marks)

From 2020 to 2021, the COVID-19 pandemic practically stopped the entire world. Across many countries, measures like Movement Control Orders and lockdowns banned large assemblies of people in order to slow the spread of the virus. Since people could not gather in person, they gathered virtually: family get-togethers took place across laptop, tablet and phone screens, birthday parties were organized through Skype and Facetime, and even weddings were held and attended over online platforms like Zoom.

Write a **six-paragraph argumentative essay** on the advantages and disadvantages of hosting and attending virtual gatherings. You should write **at least 350 words**.
